[words & music by Michael Davis]

CCLI: # 7147341

## VERSE 1

Your blood, shed for me  
My hope, eternity  
Your grace, shown to me  
Gives me life, and now I see

## CHORUS

Your broken body is my healing  
Your sinless blood gives my redemption  
Your chosen suffering brings perfect life to me  
Lord Your sacrifice has made me whole  
Through the cross I am forever Yours

## VERSE 2

Your love, poured on me  
With the oil, of Your Spirit  
The anointing, breaking fear  
I'm alive, I am free, yeah

## BRIDGE

This is a holy moment with You  
I open my heart to all You wanna do  
I still my soul to remember the cross  
Where You took all my shame and restored all I lost  
Where You took all my shame and restored all I lost
