

REST AND RECEIVE (ONE THING)

[Words & Music by Michael Davis]

CCLI: # 7194485

VERSE 1

I see Your heart of wonder
I need Your living water
Your voice is calling out to me
I've tasted and I have seen
This world is not what I need
Your presence over anything

PRE-CHORUS 1

So I turn from my fears
To Your loving arms
It's Your voice I wanna hear
You're where I belong

CHORUS

One thing is needed just to sit at Your feet
To hear You speak
One thing is needed just to sit at Your feet
To rest and receive

VERSE 2

When I see that I'm not enough
It's in Your voice that I trust
You're always calling out to me
Right now I give You my life
Speak to my heart it's Your time
Your Word is healing my mind

PRE-CHORUS 2

So I cast all my cares
To Your loving arms
I can rest cause' You're here
You're where I belong

BRIDGE

I find rest in You
Lord I find rest in You
In Your grace and truth
And how You love me
Truly love me

TAG

How You love me
Truly love me
How You love me
Truly love me
