

ALL I EVER NEED AND MORE

[Words & Music by Michael Davis]

CCLI: # 7185887

VERSE 1

Lord, I get distracted so easily
But Your Spirit guides me back so tenderly
Like a child sometimes I walk the other way
But as my Father You will never let me stray

PRE-CHORUS

I know I am not alone
You have made my heart Your home
Now everything inside me has to know

CHORUS

That Your grace reaches higher
I am not on my own
You're all I ever need and more
Your love reaches deeper
You'll never let me go
You're all I ever want and more

VERSE 2

Nothing can replace Your endless love for me
You have wrapped my heart within Your perfect peace
All I need is found within Your open arms
You gave all You had so I would never want

BRIDGE

You covered all my debts
You gave me life from death
You paid it all for me
You gave it all
